GLOBAL G·L·O·W

Conceptual Model

Adolescent Girls

Develop **AGENCY** and Exercise **VOICE** to Build **POWER**

A GENDER EQUAL WORLD

STRONGER COMMUNITIES

POWERFUL GIRLS
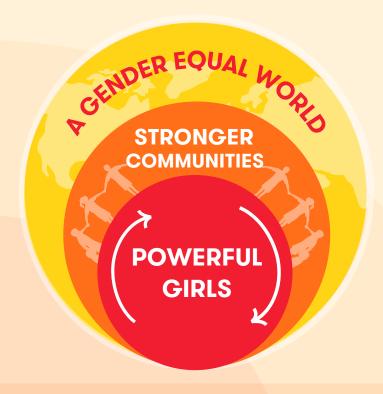

As girls develop agency through our programming, they are provided with opportunities to exercise their voice, allowing them to grow in their confidence and ultimately build their power.

Girls utilize their power to advocate for themselves and the issues they believe in, thus challenging gender norms to build stronger communities that work towards a better and more gender-equal world.
