THE IMPACT OF OUR PARTNERSHIP FOR YOU

The Global Catalyst community is made up of primarily women between the ages of 35 - 70. Our network includes high-powered industry leaders, spanning fields from law to banking to construction. GC also engages gender-focused global philanthropists and young professionals seeking to build out their networks. **This panel will host between 75-100 guests and feature panelists from philanthropy, fashion, and entertainment backgrounds.**

Sponsorship of this panel will...

- Expand your reach to a network of engaged women
- Align your brand with a respected global gender justice organization
- Feature your support via Global Catalyst's global digital stakeholder network

THE IMPACT OF YOUR PARTNERSHIP FOR GIRLS

Thanks to a generous funder, 100% of all sponsorship dollars will go directly to programs that support girls – Never to administrative costs.

Your gift will support the Global Catalyst Built By Girls Project, which is raising \$140,000 to equip over 100 U.S. girls in underserved communities to become the leaders and advocates we need today. Your sponsorship will directly support girls' advocacy in the United States.
